# History

***“SOME PEOPLE MAKE HEADLINES WHILE OTHERS MAKE HISTORY”***

*Napoleon Bonaparte*

**SKS SHIPPING AGENCY** was founded in the year 1995, by an enterprising man who had a vision to accomplish. The visionary was reckoned as an erudite in the contemporary marine logistics industries. The beginning was humble with a modest fund base and soon people in the trade started feeling its presence in the logistics industry as a magnificent nascent in the emerging. The motivating factor behind this successful endeavor was Sri, Shyamal Ghosh who later sowed **SEAJAAN LOGISTICS PVT.LTD** in the year 2002, as an extended arm for

**SKS SHIPPING AGENCY** only to provide service ultimate and precision logistics solutions to its large number of clients in the field of Shipping. It added two other companies to its cap which were equally proved to be a success.

The most laudable distinction that **SEAJAAN LOGISTICS** still preserved as an MTO Licensee was the strict security parameters as prescribed by the Director General of Shipping, Govt. Of India, seldom found to be maintained by companies in the same trade.

Some of the industrial behemoths of national standing are its clients which the company can boast of.

# The Seajaan

# Strategy

**SEAJAAN LOGISTICS** having dedicated itself in the business of providing logistic solutions to its customers has framed its own strategies to follow on the principles of certain doctrines. These doctrines are aimed at its customers for their security, economy, comfort and finally relief.

- 1.** The company is governed by the strict rules and guidelines as set by the Director General of Shipping for protecting the interest of the shipper. The Multi Modal Transport Document as issued by the company is as prescribed by the D.G. Shipping under the provisions of sec 7 of MMTG Act, 1993 and rules thereunder.
- 2.** The company aims at the economy aspect for its customer. The staff members are specially trained to bargain without sacrificing quality and yet make the customer smile.
- 3.** The company is an accredited MTO and under a valid liability insurance to cover its customers against, Burglary, Elec & Machinery brk. down, fire, peril, accidental damage and transit cover. Other risks covered are, error of omission liabilities and third party liabilities.
- 4.** One roof one window logistic solutions from custom clearance to shipment and transportation. This is an area which involves nitty gritty of both law and technical process. Trained work forces are great shock absorbers to handle difficult situations.
- 5.** Till the end of a job the team remains watchful against all odds.
- 6.** To remain unrivaled as ever in providing services.
